Owner/Applicant Acknowledgement

I hereby certify that all information contained in this application and the required attachments are correct and I understand that:

- A permit issued under this application will be in my name and I am representing ownership of the property.
- All contacts listed on this application are subject to ordinance enforcement.
- A financial guarantee may be required as a condition of the County issuing this permit.
- A permit may be withheld or temporarily revoked if the County determines that the necessary site stabilization may be unachievable due to late season construction.
- **All erosion control and stormwater management BMPs shall be installed & stabilized before proceeding with any other construction phases of the project.**
- County permits issued are valid for a period of 6 months (180 days) or the length of the building permit or other construction authorizations, whichever is longer, from date of issuance. In order to have a permit valid longer than the 180-day period, proof of other permit or authorization durations must be submitted prior to county permit approval.
- This permit does not relieve the applicant of compliance with other local, state, or federal requirements.
- County staff is authorized to enter upon the subject site to obtain information needed to administer the ordinance.
