---

August 24, 2021

Dear Property Owner and/or Current Resident:

You are again invited to an open house to learn more about an upcoming project in your neighborhood and review the final plans.

Sheboygan County will be reconstructing CTH PP/Indiana Avenue from 24<sup>th</sup> Street west to approximately Esslingen Park. The project will consist of reducing the available automobile travel lanes from 4 down to 2 to correspond to the rest of the corridor that stretches from the lakefront to the City of Sheboygan Falls. A multi-use pathway (i.e. bicycles and pedestrians), lighting, intersection improvements with new traffic signals, water main upgrades and storm sewer improvements will also be part of the project.

Staff from Sheboygan County, the City of Sheboygan and the consultant who performed the design will be on hand to discuss the project and maintenance of traffic during construction in-person. We are anticipating a 2022 construction schedule at this time. Details are as follows:

**Monday, September 20<sup>th</sup>**  
**4:00 – 6:00 PM**  
**UW-Extension, Room 5022**  
**5 University Drive, Sheboygan, WI 53081**

If you have any questions, please feel free to contact Aaron Brault [aaron.brault@sheboygancounty.com](mailto:aaron.brault@sheboygancounty.com), 920-459-3060, or Greg Schnell [greg.schnell@sheboygancounty.com](mailto:greg.schnell@sheboygancounty.com), 920-459-3822.

Sincerely,

Aaron Brault  
Planning & Conservation Director

Greg Schnell  
Transportation Director
