

COVID-19 Testing Options

Public Health
Sheboygan County
Division of Public Health

You can get up to 8 free home tests per month at pharmacies by showing your insurance card. This includes Medicaid members. When purchasing, show your insurance/ForwardHealth ID card.

Order a free testing kit online and receive a package of 5 free, rapid, at-home COVID-19 tests at [SayYesCovidHomeTest.org](https://www.SayYesCovidHomeTest.org)

Receive 4 free at-home tests at covid.gov/tests or call 1-800-232-0233

Advocate Aurora Health

Testing available for anyone at any Advocate Aurora Health Urgent Care Center. Use the Symptom Checker at www.aurorahealthcare.org/symptom-checker in the LiveWell app, or by calling 866-443-2584
