## Medicare Part D Annual Notice: Creditable Coverage

**(IF YOU DO NOT HAVE PRESCRIPTION DRUG COVERAGE UNDER THE WCA GROUP HEALTH TRUST, PLEASE DISREGARD THIS NOTICE.)**

### Important Notice from the WCA Group Health Trust About Your Prescription Drug Coverage with the WCA Group Health Trust and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your prescription drug coverage with the WCA Group Health Trust and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current WCA Group Health Trust coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage with the WCA Group Health Trust and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The WCA Group Health Trust has determined that the prescription drug coverage, offered by the WCA Group Health Trust, is on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is, therefore, considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage under the WCA Group Health Trust and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current WCA Group Health Trust coverage under your new insurance carrier may be affected. If you join a Medicare drug plan, be aware that you and your covered dependents' current WCA Group Health Trust coverage will end.

*(over)*

If you do decide to enroll in a Medicare drug plan and, thereby, drop your prescription drug coverage under the WCA Group Health Trust, you should also be aware that you and your dependents may not be able to get this coverage back. Please contact your employer if you have any questions about this provision.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with the WCA Group Health Trust and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
