

## Notice of revisions to the proposed sidewalk on CTH EE (Weeden Creek Road) in Sheboygan County

The Sheboygan County Highway Department is proposing to reconstruct County EE (Weeden Creek Road) between South Business Drive and South 12th Street in the City of Sheboygan and Town of Wilson.

Since the Public Involvement meeting held on Thursday, August 18<sup>th</sup>, 2023 at Jackson Elementary School, changes in the proposed sidewalk have been incorporated into the final construction plans. The original [displays and handout from the public meeting on August 18<sup>th</sup> are available here](#) for your review.

Due to the inability to obtain the necessary right of way to construct sidewalk, no sidewalk will be constructed along the south side of County EE (Weeden Creek Road) between Amanda Lane and Fox Grove Road. Pedestrian crossings, including pavement marking and signing, will be constructed to connect the sidewalk on each side of the road to the west of Amanda Lane and to the east of Fox Grove Road. An overview of the new sidewalk layout is included below.

For additional information, questions, or comments about the proposed improvements, interested persons may contact the design project manager, Rich Glen JT Engineering at (920) 606-6288 or send e-mail to [richg@jt-engineering.com](mailto:richg@jt-engineering.com).
