Sheboygan County Caregiver Conference

Acuity, 2800 S. Taylor Drive, Sheboygan

Thursday, November 21, 2013

11:15 Workshop A (choose one from #1-5)

1. Lewy Body Dementia

Diane Mosnik, PhD, Neuropsychologist, ProHealth Care at Waukesha Memorial Hospital

Learn the diagnostic and behavioral features of Lewy Body dementia, and how it differs from Alzheimer's disease.

2. Alzheimer's: Where are We Headed?

Lawrence Sullivan, M.D., Froedtert Health West Bend Clinic

Learn the current trends in Alzheimer's research including the Amyloid Theory. What other factors seem to be involved with development of Alzheimer's? How might this impact the future diagnosis and treatment of the disease?

3. Inside Hospice

Heartland Home Health & Hospice Team

Learn about this underutilized Medicare benefit. Understand what it includes, how it works, who qualifies and the difference it can make for the whole family...all through storytelling.

4. Making Difficult Caregiving Decisions

Nancy Simenz, MTS, Chaplain/Bereavement Coordinator, Sharon S. Richardson Community Hospice

Learn about how and why it is important to ask the difficult but necessary questions. Discuss how to balance the needs of the caregiver and the loved one while making those decisions.

5. How Can I Afford to Get Old?

Kelly Lee, Social Worker/Options Counselor, Sheboygan County Aging & Disability Resource Center

Learn about your long term care options, Family Care and IRIS, and whether you might be eligible for funding in long term care settings.

1:15 Workshop B (choose one from #6-10)

6. Frontotemporal Dementia

Diane Mosnik, PhD, Neuropsychologist, ProHealth Care at Waukesha Memorial Hospital

Learn the diagnostic and behavioral features of Frontotemporal dementia, and how it differs from Alzheimer's disease.

7. Memory Loss, Dementia, and Alzheimer's Disease: The Basics

Krista Scheel, Program Director, Alzheimer's Association Southeastern Wisconsin Chapter

Explore memory loss, dementia and Alzheimer's disease. Learn about risk factors, research, treatments, and steps to a proper diagnosis/assessment.

8. Family Meetings: How They Can Help Caregivers

Lynn Schneinoha, Family Caregiving/Alzheimer's Program Manager, Aging & Disability Resource Center - Lakeshore

Learn The 5-Step Decision Making Process that will help you and your family work together so that frictions are reduced, and everyone can pull in the same direction.
