

Looking for.....

“Golden Gardeners”

Do you love the smell of flowers? Do you enjoy the feel of dirt? Would you like to get some sunshine, meet friends and learn some new information about gardening? If so, bring your garden tools, bring your garden stories and join us.

We are looking for seniors, and their friends and families who have an interest in gardening to help us start a “Golden Gardeners Club” at the Aging & Disability Resource Center located at 650 Forest Avenue in Sheboygan Falls.

Plan to listen to an educational presentation and have the opportunity to share garden stories and ask questions of our guest garden expert. You may get your hands dirty and work in our new patio garden if you wish. If you can't get on your hands and knees, come anyway and help “supervise.”

Optional: You are welcome to stay and dine at the Sheboygan Falls dining site after the meeting. (Just call ahead, 920-467-9042, to make your reservation-over 60 donation requested and under 60 cost is \$6.40)

2014 Schedule: All events are from 10:00 – 11:30 a.m. (event is free)

I plan to attend the following Golden Gardeners Club Meetings:

Thursday, September 18th - Butterfly Gardens: presenter Lori Walker _____

Friday, October 10th - Planting Daffodil Bulbs: presenter Christine Freund _____

Name _____ Phone _____

Turn in registration to Aging & Disability Resource Center or call 920-467-4100 for more information.
