Foot Golf Rules

- 1) Please be respectful of soccer players, Foot Golf players and everyone in the park.
- 2) Refer to the Foot Golf map for routing of each hole and return your pencil upon completion.
- 3) Start by placing the ball at the tee, then kick the ball towards the hole. Do not punt the ball or stop the ball from rolling with the wind.
- 4) The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot.
- 5) Play the ball on the ground when it has come to rest. Like golf, each kick is considered a stroke.
- 6) Wait your turn, make sure your kick will not interfere with other players.
- 7) Play the ball from where it lies. EXCEPTION: You may mark the spot and lift the ball if it may obstruct another player's kick or ball.
- 8) The order of play is based on your score on the previous hole. The player with the best score kicks first.
- 9) On the Foot Golf Course, the player farthest from the hole is the first to kick the ball.
- 10) Have fun and enjoy your time at The Sheboygan County Broughton Marsh.
