OUR MISSION:

To provide access to comprehensive, integrated health care, regardless of the ability to pay, eliminating health disparities among the underserved.

Lakeshore Community Health Care offers medical, behavioral health, dental care, in-house pharmacy and support services. We work with community partners to refer you to any specialty care we are unable to provide.

Our skilled health care professionals, who live in our community, believe everyone has a right to quality health care and work hard to make sure patients like you receive the help you need.

If you have struggled to find a dentist, doctor or counselor, let us be your health home!

We respect and celebrate cultural differences and have interpreters for patients who speak a language other than English.

Lakeshore's highly trained staff uses the latest technology to deliver the best care.

WE ACCEPT:

Private Insurance

Medicaid (BadgerCare)

Medicare

Uninsured - We offer sliding scale fees based on household income.

Lakeshore Community Health Care offers you and your family a health care home. By making all of our services available in one location, we are better able to address all of your health needs.
